

ICABS2007 Call for Tutorials

2007 SIWN International Conference on Adaptive Business Systems (ICABS'2007) invites tutorial proposals. The tutorials are provisionally scheduled to be presented on Sunday 22nd or Tuesday 24th July 2007. Each tutorial will run half day or whole day. Anyone who is interested in presenting a tutorial at ICABS2007 should submit a proposal to the tutorial chairs at the addresses below.

Scope

ICABS2007 is interested in proposals for advanced tutorials at the leading edge of technologies in research and development of complex open distributed systems particularly related to one of the 12 themes of the conference, i.e.:

- Track 1 Enterprise Systems (in perspectives of information, management, organization, automation, etc.)
- Track 2 Enterprise Collaboration
- Track 3 Supply Chains and Logistics
- Track 4 E-Business
- Track 5 Business Intelligence
- Track 6 On-Demand Businesses
- Track 7 Industrial Applications of Multi-Agent Systems
- Track 8 Information Infrastructures of Businesses
- Track 9 Self-Organization and Emergence

Submission Requirements for Tutorial Proposals

A proposal for tutorial should contain the following information:

- Name, institutional affiliation, mailing address, phone, fax, e-mail, WWW address of the proposed presenter(s)
- Title of the tutorial
- Tutorial duration (half day or one day)
- Aim of the tutorial
- Targeted audience of the tutorial
- A 200-300 word description of the tutorial
- Detailed outline or prose description of the tutorial contents
- Biography of the presenter(s) of the tutorial

The Biography of the presenter should clearly identify this person as an expert in the research area of the tutorial, i.e., by providing references to publications in this area and previous tutorials and lecturing experiences. If variants of the proposed tutorial have been given before, please specify them by naming the conference, title of tutorial, and number of participants in each case.

Important Dates

Tutorial submission deadline:	25 May 2007
Notification of acceptance:	05 June 2007
Final title and abstract and presenters bios of accepted tutorials:	20 June 2007

Submission Method

Prospective tutorial presenters should send their proposals in PDF formats to the relevant Program Co-Chairs via emails
